**SELF I-DENTITY THROUGH HO'OPONOPONO®** is a Hawaiian problem solving process to release memories that show up us problems in our everyday lives.

The Ho'oponopono process provides "a step by step approach to achieving Peace, Balance and new meaning of life through an understanding of one's Self I-identity". It not only works, but it works wonders – both professionally and personally. By the end of the training, students will:

Begin to know and appreciate who they are,  
Learn how to care and protect Self,  
Learn what the problem is and how to solve it,  
Learn to look only to Self and the Divine Creator,  
Begin to know and appreciate the Divine Creator and  
begin to experience LOVE beyond all understanding

Some of the problem areas covered in the training include:

Self – spiritual, mental, emotional and physical  
Family, relatives and ancestors  
Conception, abortions, miscarriages and suicides  
Death and dying  
Finances, work and school  
Earthbound spirits and Space entities  
Land, buildings, objects

The training for individuals consists of a 2-day class in which participants are taught who they are, what the problems are, and how problems can be solved by deleting toxic, unwanted memories without going one inch outside of themselves.

Come and join us at the 23rd and 24<sup>th</sup> of October 2010 and Ho'oponopono your life!
