SELF I-DENTITY through HO'OPONOPONO® is a Hawaiian problem solving process to release memories that show up as problems in our everyday lives.

The Ho'oponopono process provides "a step by step approach to achieving Peace, Balance and a new meaning of life through an understanding of one's Self I-dentity." It not only works, but it works wonders – both professionally and personally. By the end of the training, students will:

Begin to know and appreciate who they are.
Learn how to care for and protect Self.
Learn what a problem is and how to solve it.
Learn to look only to Self and the Divine Creator.
Begin to know and appreciate the Divine Creator and,
Begin to experience LOVE beyond all understanding.

Some of the problem areas covered in the training include:

Self - spiritual, mental, emotional and physical
Family, relatives and ancestors
Conception, abortions, miscarriages and suicides
Death and dying
Finances, work and school
Earthbound spirits and Space entities
Land and buildings
Objects

The training for individuals consists of a 2-day class in which participants are taught who they are, what problems are, and how problems can be solved by deleting toxic, unwanted memories without going one inch outside of themselves.

Ihaleakala Hew Len, Ph.D, and Mary Koehler teaches workshops on the Hawaiian method for achieving wealth, health, peace and happiness. He has worked with thousands of people, including groups at the United Nations, UNESCO, the World Peace Conference, Healers for Peace in Europe, and the Hawaii State Teachers Association.
