Dear IZI LLC Students,

Thank you for all your cleaning for the IZI LLC sponsors Self I-Dentity through Ho'oponopono® classes for 2017.

We are so grateful for the cleaning you do and its effect on our lives.

We are reminded of a quote from Dr. Hew Len:

“When you are your SELF first, your IDENTITY first, as the I, the Original Source, created you in its exact likeness, everything PERFECT, WHOLE and COMPLETE is automatically added continuously! This is called Identity Plus.

The purpose of existence is to always be your SELF first, last and always. This is accomplished through cleansing. It is through your Identity, free of toxic energies in the way of thoughts, words, deeds and actions, that the I, the Original Source, will give you Plus automatically.

...What is Plus? DIVINE PEACE, DIVINE CLARITY, and DIVINE WEALTH beyond all intellectual understanding. And, Plus is automatic when you are your SELF first, last and always.

So, to be our SELVES first, last and always is our singular, our only purpose for being.”

Wishing you PEACE in the New Year,
