LECTURE DESCRIPTION

IZI LLC LECTURES:

IZI LLC sponsors Self I-Dentity through Ho'oponopono® (SITH®) is an updated Hawaiian problem solving process to release memories that are experienced as problems.

IZI LLC sponsors SITH® Lectures give participants the basic information on “who you are” and how to apply the Self I-Dentity through Ho'oponopono® process. Students will receive several tools that may be used to apply Ho'oponopono with problems in everyday life.

“If we can accept that we are the sum total of all past thoughts, emotions, words, deeds and actions and that our present lives and choices are colored or shaded by this memory bank of the past, then we begin to see how a process of correcting or setting aright can change our lives, our families and our society.”

Morrnah Nalamaku Simeona
