Even when problems arise, which is often, solutions come forward when I get to the work of the cleaning.

Christine has raised three children using the SITH® process. "It is my experience that the only way I know how to properly parent my teenaged children is to clean, let go and listen for Inspired words to say to my children." Christine feels so grateful to have been given the gift of Self-I-Identity through Ho'oponopono® as it makes it a possibility to experience freedom in the moment. Christine is an IZI LLC Instructor offering SITH® Private Sessions ONLINE in Portugal, Japan, Taiwan, and China.

**Wai'ale'a
Craven x**

Wai'ale'a Craven x first learned SITH® from Mornah Simeona some 40 years ago in Pennsylvania. During this time she has applied her tools throughout her work in home health care assisting elderly, handicapped, disabled and addicted clients. Using the SITH® Tools with her work has made her particularly fond of the Health Ho'oponopono, experiencing the importance of focus on specific memories like fine tuning the lens of a camera. Now living here in Hawai'i and particularly as of late, working with her little 5 ½ acre farm, more and more she is increasingly aware of the importance of the Business Ho'oponopono as a business of Life. She has come to realize she cannot have a Healthy / Working relationship outside of self until there is a good Health and Business order of affairs within. Her first class was in Philadelphia, PA, Feb. 1986... volunteered as staff for the very next class and has been supporting SITH® ever since. She is now coordinator and Instructor for Volcano, Hilo and Kona on the Hawai'i Island and coordinated the Gold Coast, Hawai'i, BASIC II in 2012. IN PERSON classes include USA, Europe, Australia, Canada, South America. ONLINE classes include USA, South America, Asia and Southeast Asia. Wai'ale'a is also an IZI LLC Instructor doing SITH® Private Sessions in Asia and Southeast Asia and Hawai'i, USA
